BETTER TOGETHER.

WELCOME MESSAGE FROM EDEN CYCLING ASSOCIATION PRESIDENT

On behalf of Eden Cycling Association, I would like to extend a warm welcome to all of the riders, spectators, managers and officials attending our Event.

Without dedication, commitment and sacrifice, this event would certainly not have been possible. I would also like to thank our sponsors and other supporters within the community and cycling industry at large – without your much-needed dedication, support and input this event would certainly not be as success.

We are fortunate to be able to host this event with the current Covid restrictions and challenges that it creates. We are making a huge effort to comply with all the regulations and make it as easy as possible for everyone to participate with the minimum disruption.

Wishing you all the best for this weekend's racing! May the wind always be at your backs and may you soar to new heights of achievement and excellence! Safe cycling and may the best riders win!

Corné Bengt
President: Western Cape Cycling Association

Format

Just to reiterate the objectives of the Youth Events:

1. To create an opportunity for all riders up to U19 riders to participate on a regular basis against other riders in the country with similar abilities - not as individuals, but as a team. *The emphasis is on team and Region, not on the individual!*
2. To assist the Regions with their development and transformation goals.
3. To create venues for the younger age groups to show and develop their potential as they are no longer participating in the annual South-African Championships.
4. As the emphasis is on team and mass participation, all events will be structured in such a way that points will be awarded to every participant.

Rules

The event will take place according to UCI and Cycling SA rules and regulations. The Chief Commissaire appointed will make the final decision on any disputes.

Race rules for youth event.

The points system for these competitions works as follows:

1. The Road and MTB cycling events will be scored the same.
2. Points will be earned for the team, based on position.
3. All riders will contribute their points to their respective region for the Regional competition regardless of where they competed in the Team-Competition. The best team will be determined at the end of the competition by calculating the team with the most points. If the team competition comes to a draw the final positions will be determined by a count back on the following basis:
 - a) Team with the most Gold medals
 - b) Team with the most Silver medals
 - c) Team with the most Bronze medals
 - d) Team with the best average time for the riders taking part in the road race.
4. The Region with the most points in all disciplines will win the overall competition. If the Regional Competition ends in a draw, the final positions will be determined by a count back on the following basis:
 - a) Region with the biggest number of participants.
 - b) Region with the biggest number of riders with disabilities.
 - c) Region with the biggest number of female riders.
 - d) Region with the biggest number of PDI riders.
5. The best individual rider per age category, male and female will be determined by the rider with the most points. If the points are a draw final positions will be determined by a count back on the following basis:
 - a) Individual with the most Gold medals during the competition
 - b) Individual with the most Silver medals during the competition
 - c) Individual with the most Bronze medals during the competition
 - d) The rider with the least time for all events that are timed events during the competition excluding the team TT.
6. Points will be awarded as such:

Position	1-6:
a.	1 = 10
b.	2 = 8
c.	3 = 6
d.	4 = 4
e.	5 = 2
f.	6 = 1

All positions after this will earn 1 point.
7. Riders older than U19 years will be allowed to participate in the event on condition that he/she is still attending school and provide proof thereof, by means of a valid CEMIS Certificate or declaration from his/her current school / principal. This rider will be on the results sheet but will not be eligible to receive a podium position.
8. The riders participating must be an RSA citizens.
9. In the Road races MTB's will be permitted to participate.
10. The race organizer is at liberty to change or alter the routes as to ensure the safety of the riders.
11. No specialized equipment is allowed for the age groups U11 to U15.
12. No spectator cars will be allowed to drive up and down the TT route road. For the U/11 and U/13 riders exemptions would be considered with the permission and arranged with the race Commissaire.
13. Rules and seclude may be changed or adapted to conform to coved regulations.

Distances and time duration might vary slightly depending on road availability and safety!

Covid -19 Compliancy

1. All participants, managers and accompanying parent where there is no manager needs to be screened and provided with a colour band. The event will be hosted in a bubble and only 100 people may be inside that bubble at a given time according to the current Covid regulations
2. Screening will be done and bands issued at registration. Please come early as to ensure everyone is screened. Only the participants and managers will be allowed inside the bubble at the event. No one without a band will be allowed in the bubble.
3. No screening will be done as everyone was screened on Saturday.
4. Covid regulations determine that no spectators are allowed. We are trying our utmost best to minimize the parents and mangers and officials in the bubble.
5. Riders are asked to enter the bubble only for the purpose of getting ready to race before the race.
